## Olympic Memorabilia Collector's Catalogue

It is the goal of Prolympo to create a series of attractive, compelling publications that will engage potential collectors and add value to existing collectors, future Organizing Committees, Olympic museums, Olympic and sport libraries, sport archives and many others. These catalogues are developed to provide an accurate, data-rich source of information on Olympic Memorabilia. During the next years a variety of additional volumes to topics around Olympic Memorabilia collecting will be published. The volumes are designed in ring binders in order to complete the information after new editions of Olympic Games.

### Volume 1: Official Reports (autumn 2016)

The History of the Official Report, the stories about each Official Reports, all printed editions showing covers and title pages, special details, all editions in different languages, table of availability, sizes, number of pages, information about the publishers, name of the translators, reprints/reproductions, table of contents, distribution, curriculum vitae of the author(s), special or luxury editions, preparation and background information, advertising, order form, promoting material, pricelists, packaging, manuscripts, additional volumes, design aspects, additional objects like floppy disks, LP's, CD's or DVDs, pictorial editions, special pins, production costs, etc...

**Editor:** Prolympo e.V.

## What is Prolympo?

Prolympo e.V. aims to foster knowledge creation, capitation and transfer of all kind of memorabilia dealing with the Olympic Movement, which should be made available to collectors, researchers and museums. Olympic memorabilia are works of art and therefore have to be regarded as the cultural property of sports. In preserving them and developing knowledge about them Prolympo e.V. makes a significant contribution to secure important aspects of Olympic history for the purpose of education and research.
